

**1 in 3 of your people are currently thinking of leaving\* unless you engage your talent in 2010**

**Lander Associates**★

**N**ow you have retained your best people, act fast to cultivate their talent and keep them **engaged** by investing in their future.

Winners and losers in the war for talent are emerging. Companies who continue to invest in employee engagement are becoming the clear leaders - make sure you're one of them.

**Contingency training** - individual coaching or group based workshops/seminars - **will reinforce your teams and get them fighting back with a vengeance to gain that competitive edge.**

Whether you choose ¼ days, ½ days, ¾ days, full days, modular series - shape the right programme for your company and your teams.
